ABOUT THE DEPARTMENT

The School of Management Studies at CBIT, established in 1996, aims to equip young professionals with the skills to excel as outstanding management leaders and entrepreneurs, grounded in integrity and social responsibility. With a focus on preparing students to a compete globally, the department provides a comprehensive education that is Very professional, competitive, and industry-relevant, enriched with sustainable value additions.

Offering specialisations in Marketing, Finance, Human Resource and Business Analytics, the department ensures that students not only master their chosen fields but also gain practical experience through internships and various projects, applying theoretical knowledge to real-world practice. Additionally, skill Development courses are provided to enhance Our students managerial abilities, teamwork, and knowledge.

The department School of management studies is committed to excellence in academics, research, co-curricular and extra-curricular activities, while also instilling strong moral and human values. The education and experience gained during their two-year program at the School of Management Studies empower students with the confidence and competence to thrive in the corporate world and tackle business challenges head-on.

ABOUT THE CONFERENCE

The ICSSR Conference on "Women Entrepreneurs and Financial Inclusion: Pathways to India's Growth by 2047" aims to explore the significant role that financial inclusion plays in empowering women entrepreneurs and fostering India's growth under the "Viksit Bharat" vision. The conference will bring together experts from various fields to discuss the challenges women face in accessing financial resources and scaling their businesses. It will also focus on evaluating current initiatives, addressing socio-economic and institutional barriers, and highlighting the importance of support ecosystems such as incubators and accelerators. By concentrating on region-specific insights from southern India, the event seeks to contribute to a national agenda for inclusive growth, ultimately aligning with India's goal of achieving prosperity by 2047.

OBJECTIVES

1. Evaluate the Extent of Financial Inclusion Among Women Entrepreneurs.
2. Identify Socio-Economic, Cultural, and Institutional Barriers.
3. Examine and Assess Policy Frameworks.
4. Explore the Role of Support Ecosystems.
5. Develop a Roadmap for Inclusive Growth.

PUBLICATION

After a peer review, selected papers will be published in an edited book by Palgrave Macmillan (Springer Nature)

WHO CAN ATTEND

Researchers, Academicians, Women Entrepreneurs, Policy makers and Government Officials, Representatives from Financial Institutions, Incubators, Accelerators, and Mentorship Organizations, International Delegates, Industry Professionals, NGOs and Non-Profit Organizations.

KEY THEMES OF THE CONFERENCE

- Entrepreneurship and Economic Growth: Linking Women's Financial Inclusion to National Development
- Barriers to Financial Inclusion: Socio-Economic and Cultural Factors
- Financial Inclusion and Access to Credit for Women Entrepreneurs
- Innovative Financial Models and Solutions for Women Entrepreneurs
- Gender-Sensitive Financial Policies and Regulatory Reforms
- Comparative Policy Frameworks: India and Developed Nations on Women Entrepreneurship and Financial Inclusion
- Role of Support Ecosystems: Incubators, Accelerators, and Mentorship
- Capacity Building, Digital Literacy, and Skill Development for Women Entrepreneurs
