Grounds for filing Complaint

The CPIO did not provide the desired information.

Submissions made by Complainant and Respondent during Hearing:

The complainant in his complaint filed before the Commission has stated that he had not received the required information. He also forwarded some documents to the Commission relating to the recruitment and promotion rules, 1988 and some other documents but no reference was made as to why these were sent. He also failed to attend the hearing despite due notice of hearing sent to him vide ED3031382295IN.

The CPIO reiterated the point wise reply given.

Observations:

From a perusal of the record, it is noted that the CPIO had given a point wise reply, even to the extent of providing some third party information which is exempted from sharing as per Section-8(1)(j) of the RTI Act, 2005. It was also noted that all the 12 points were adequately responded to by the CPIO and therefore no further action lies. The complainant failed to appear for the hearing, so it was not possible to ascertain which point of his RTI application has not been replied to properly.

Decision:

In view of the fact that all the information has been provided, no further action is called for and the CPIO's reply is upheld.

The complaint is disposed of accordingly.
